**BELASCO SECURES ANOTHER "STAR"**

Edna Wallace Hopper Will Be One of the Attractions at the Theaters of the New Circuit Next Season.

REPUBLIC SPECIAL.  
New York, July 29.—Edna Wallace Hopper is David Belasco's latest star. He has secured her for a term of years to appear under his direction, and a play in which she will be presented as the star has already been completed.

Further details of Mr. Belasco's plan for the coming season were learned yesterday. He will revive his play, "The Heart of Maryland," in which Mrs. Leslie Carter scored her first great success, on a moderate scale, with a "star" cast. Mrs. Hopper will first appear under Mr. Belasco's management in this revived production of her own play being deferred until the close of the other engagement.

It was said last night that Odette Taylor and her husband, R. D. McLean, will be other members of "The Heart of Maryland" cast.

Mrs. Hopper was under Mr. Belasco's management several years ago, appearing in "The Girl I Left Behind Me" and other plays, but musical comedy attracted her and she left the Belasco fold after Mr. De Wolf Hopper, in some of his plays, and later creating the part of Lady Holroyd in "Florodora," which was one of her most successful roles.

Last season she entered the vaudeville field and appeared on the road, and before this city in a one-act play, "Waterloo," in January. In this piece she had opportunity for considerable dramatic acting, and it is said that Mr. Belasco saw her performance and was much impressed.

Mrs. Hopper was surprised last night that the news of her going with Mr. Belasco had become public, and she said she would much prefer the announcement would come from him.

"It is true, and of course I am delighted," was all she would say.

Mr. Belasco could not be found last night. His list of stars now consists of Mrs. Carter, David Warfield, Blanche Bates, Robert Hilliard, Bertha Ballard, Brandon Tynan and Mrs. Hopper.

**"MISS" LOFTUS'S CONTRACT.**

Miss Cecilia Loftus, who has been appearing in vaudeville since she came here last season in "The Serio Comic Government," under the management of Daniel Frohman, was yesterday added to the list of stars to appear the coming season under the management of Charles Frohman.

Miss Loftus signed a contract with the latter yesterday whereby she will be in the company of the "College Widow" company in its tour of the country. Her engagement is to be for six months, and her contract with Mr. Frohman is an old one.

Miss Loftus put her signature to the agreement with the understanding that she was not to have any idea as to the nature of the play in which she is to star or what part she will play until rehearsal begins.

Mr. Frohman yesterday declined to indicate in any way what the play was to be, saying that he would present Miss Loftus in what he considered a novel role.

Only 60 performances of the "unknown" play will be given, and Miss Loftus said she was not to say that the vehicle for her new star was not a musical comedy, and he has agreed to be for six months.

Mr. Frohman has also signed a contract with Mr. Jerome L. Kern, by which he will have the management of a speech young composer's work. He is to write and compose a certain number of songs for Mr. Frohman's company to perform each year during the life of the contract.

All the members of "The College Widow" company will open the season at the Knickerbocker Theater Monday night.

**Prominent Society Woman Cures a Severe Cold With Pe-ru-na.**

Miss Louise Matthews, 614 Main St., Joplin, Mo., writes:

"Last winter I attended a ball and, being lightly clad, became chilled while driving home."

"It developed into a serious cold in my head, which went to my lungs and caused a cough."

"From the lungs it spread to the stomach, causing catarrh of the stomach."

"Three bottles of Pe-ru-na cured me within a short time."

"I recovered my usual good health and have enjoyed it ever since."

**Pe-ru-na, a Favorite Remedy With This Housewife.**

Mrs. Carrie King, Darlington, Mo., writes:

"Pe-ru-na has been my favorite and only household remedy for nearly five years."

"I have suffered for years with biliousness, and kidney and liver trouble. I caught a little cold the winter were increased, and headache and headache were of frequent occurrence."

"However, Pe-ru-na cured me—twelve bottles made me a new and healthy woman. For three years I have enjoyed the best of health."

"I keep Pe-ru-na constantly in my home, and if we feel ill, a few doses of Pe-ru-na restores us."

**NEGRO IN CONTROL OF CITY COUNCIL**

Deserts Addicks Republicans of Wilmington and Directs Election of Minor City Officials in Wilmington, Del.

REPUBLIC SPECIAL.  
Wilmington, Del., July 29.—With no particular partisan feeling in his breast, but with a keen appreciation of "the main chance," Thomas E. Postles, a negro, has made himself the principal figure in city politics.

Postles was elected to the city council at the recent election as an Addicks Republican, and he was expected to be properly humble and to vote as he was told. Had he done so, the Democratic city officials would have been turned out of office, for, counting Postles, the new council consisted of seven Republicans and six Democrats. Now, however, it consists of six Democrats, six Republicans and Postles, for last night Postles bolted the Republican caucus and made a deal with the Democrats.

The result was the election of five of his nominees for city offices, two being negroes and one, Postles's son, Joseph E. Postles, who was elected City Treasurer. The other negro is George W. Anderson, clerk of the council. The three white men he elected are Coal Oil

**MRS. L. HUTHSING HELD BY POLICE**

Woman, Whose Husband Objected to Her Friendship With Filipinos, at Ninth District Station.

Arrested while at her home, No. 2847 Windsor place, early yesterday morning, Mrs. L. Huthsing, who recently caused a sensation by being divorced from her husband on account of his objection to her friendship with the Filipinos at the World's Fair, was taken to the Ninth District station to be held until some information can be obtained concerning a missing ring.

George Arnett, a workman at the local tracks, who lives at the Hotel Wellington, advised the police that his diamond ring, which at the time of his divorce was valued at \$100, had disappeared and that he first noticed it missing after he had been in the company of Mrs. Huthsing.

According to the story, he visited a house occupied by Mrs. Eugene Preiser of No. 24 South Hampton avenue, Friday afternoon, July 28, and was sitting with him. He says that they visited the house, then went to the race track, only to find it closed, and then returned to Mrs. Preiser's house.

He says that he missed the ring as soon as Mrs. Huthsing returned. She left the house about 10:30 in the evening, he said.

Mrs. Huthsing at the station yesterday said that neither she nor her husband had any idea of the whereabouts of the ring, which would be all right. She denied at first that she had been in the company of Mrs. Preiser, but later admitted it to the police.

She was released, she stated, when the police had been informed that the left hand ring was missing, and then placed in the hands of the police.

Mrs. Huthsing attracted some attention at the time of the Fair last year by making friends with native-born members of the Philippine island in the Philippine exhibition and this led to her divorce from her husband.

Clerk Gray, Ninth District.

**HAYNES'S AGENTS QUIT EQUITABLE**

Men Who Worked for Metropolitan Manager Declare They Will Stick to Him—Rival Company Is in Prospect.

REPUBLIC SPECIAL.  
New York, July 29.—It was stated in insurance circles today that none of the 10 agents employed by Archibald C. Haynes, the dismissed Metropolitan agent for the Equitable Life Assurance Society, would return to work for the Equitable.

A rumor which gained considerable circulation was to the effect that it is Mr. Haynes's plan to form a new insurance company in opposition to the Equitable.

In a circular letter to his agents today, Mr. Haynes advised them if they wish to continue to work for the society to make arrangements with reference to their contracts. This is interpreted to mean that their agreement with Mr. Haynes terminated with his removal.

Many of the men who were seen today said that they proposed to stick to Mr. Haynes, and that if he had any insurance proposition in view they would offer their services to him.

As Metropolitan agent for the Equitable, Mr. Haynes did as large a business and has many agents working under him as any general agent in the country. His income was estimated at \$150,000 a year, \$25,000 more than the salary of former President Alexander.

He is thoroughly familiar with every detail of the business, has a host of friends, and whatever financial backing is needed to launch a new company, his friends declare he could undoubtedly obtain.

**RYAN SAYS HIS CIRCUIT WILL HAVE BUFFALO THEATER.**

REPUBLIC SPECIAL.  
Buffalo, N. Y., July 29.—"If we cannot lose a theater, we propose to build one in this city, for we are certainly going to add Buffalo to our vaudeville circuit."

This was the statement made here today by John J. Ryan of Cincinnati, the former horseman and pugner, who is registered at the Tropic Hotel.

"We have houses in Portland, Seattle, Tacoma, Spokane, Chicago and other cities," Mr. Ryan said, "and negotiations will be immediately closed for theaters in Buffalo, Cincinnati and Philadelphia."

Amateurism associated with Mr. Ryan in this theatrical combine are Representative Timothy D. Sullivan of New York city and John Conditine of Seattle.

Miss Marie Lepshaw, 35 Second St., Portland, Ore., member Garment Workers' Union, Local 23, writes:

"I had heartburn, acid gas rising in my throat, and a general distressed feeling."

"There were many days when I was compelled to take pills or bitter water for the bowels, but after using Pe-ru-na for several weeks I found to my surprise that the trouble had disappeared and that I was once more in my normal condition."

"I have had no trouble for the past three months. I am very grateful to Pe-ru-na."

Included in the gifts probably will be a part of the memorial slab and the necessary structures of Emperor Louis IV, "the Bavarian," and reproductions of Goethe's room at Frankfurt, and of the house of Albrecht Durer at Nuremberg; a chance of a Thirteenth Century church at Weichersberg, Saxony, and a sepulchral monument at La Sarraz, Switzerland.

**HURT AT THE HOSPITAL.**

Man Receives Injury at the City Institution.

It did not require a record-breaking run of an ambulance to convey Robert Probst to the City Hospital yesterday, when he suffered an injury to his left hand, because Probst was at the hospital when he sustained the injury.

Probst is 37 years old. He is employed as a clerk in a grocery, and lives at No. 508 Pennsylvania avenue. He took a barrel of molasses to the City Hospital yesterday in a wagon. While unloading it he took the barrel fall on the third finger of his left hand, mashing it to a pulp.

He was taken within the hospital, and his injured member dressed.
